DETAILED ACTION

Election/Restrictions

1. Applicant's election with traverse in the reply filed on 06/23/06 is acknowledged. The grounds of traversal were found persuasive. The previous restriction was withdrawn.

Drawings

2. Figures 2 and 3 should be designated by a legend such as --Prior Art-- because only that which is old is illustrated. See MPEP § 608.02(g). Corrected drawings in compliance with 37 CFR 1.121(d) are required in reply to the Office action to avoid abandonment of the application. The replacement sheet(s) should be labeled "Replacement Sheet" in the page header (as per 37 CFR 1.84(c)) so as not to obstruct any portion of the drawing figures. If the changes are not accepted by the examiner, the applicant will be notified and informed of any required corrective action in the next Office action. The objection to the drawings will not be held in abeyance.

Claim Objections

3. Claim 23 is objected to under 37 CFR 1.75(c), as being of improper dependent form for failing to further limit the subject matter of the previous claim 21. Applicant is required to cancel the claim(s), or amend the claim(s) to place the claim(s) in proper dependent form, or rewrite the claim(s) in independent form. Claim 23 fails to further limit the subject matter of the previous claim 21 by reciting the exact limitations as that of claim 21.

Allowable Subject Matter

4. Claims 1-22 and 24-31 are allowed. Claim 23 would be allowable if rewritten to overcome the objections, as set forth above. The following is a statement of reasons for the indication of allowable subject matter. The prior art fails to disclose a transparent intermediate layer composed of a metal oxide other than a nickel oxide or a metal or a composite comprising a metal oxide other than the nickel oxide and a metal as a main component placed between the oxidative coloration layer and the solid electrolyte layer.

Conclusion

5. This application is in condition for allowance except for the following formal matters as described above.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
